## 2. MOBILE APP (NEW THIS YEAR)

[Download Here](#)

In-person attendees can benefit from the use of the CSE 2026 mobile app. Once you download the eConference.io app linked above, enter the code **CSE26** to access the app.

### Program:

You can view upcoming sessions from the program tile in the mobile app. By clicking on the calendar icon on the right, you can add the session to your device calendar. Adding sessions this way also adds them to the **'My Itinerary'** tab in the app.

### Credits/Evaluations:

To claim credits for each session, you need to complete the linked evaluation. On each session, there is an **'Evaluation'** tab that you can complete to claim those credits. You can also select the **'Credits/Certificates'** tile from the shortcut menu to access the full list of accredited sessions.

**\*NOTE:** You will not be able to claim your certificate until the conclusion of the conference. You will have until Friday, May 15 to complete session evaluations to claim credits.

## **LOGIN REQUIRED:**

In order to access evaluations and customize your itinerary, you will need to sign in on the app. When prompted to, you can either sign in with the information used to create your user account and register, or request a “magic link” to have a sign-in link sent right to your email. Opening that link on your mobile device will automatically log you in.

## **3. ACCREDITATION & CERTIFICATE**

Accreditation for Physicians:

- This event is an accredited **Group learning Activity (Section 1)**
- You may claim up to **16 hours**

Accreditation for Sonographers:
